

The image features a black and white halftone illustration of a hand holding a leaf. The hand is positioned at the bottom, with fingers curled around the stem of a large, textured leaf that extends towards the top right. The entire illustration is composed of fine dots, creating a stippled effect. On the left side, the text 'APUANE 2007' is written in a bold, sans-serif font, with 'NON SOLO CAVE' below it in a smaller, similar font.
